## NERVOUS COLLAPSE

SUCCESSFULLY TREATED WITH DR. WILLIAMS' PINK PILLS

Sinking Spells, Headaches and Rheumatism all Disappear When The Blood is Vitalized.

Mrs. Lizzie Williams, of No. 416 Cedar street, Quincy, Ill., says: "Ever since I had nervous prostration, about thirteen years ago, I have had periodical spells of complete exhaustion. The doctor said my nerves were shattered. Any excitement or unusual activity would throw me into a state of lifelessness. At the beginning my strength would come back in a moderate time after each attack, but the period of weakness kept lengthening until at last I would be helpless as many as three hours at a stretch. I had dizzy feelings, palpitation of the heart, misery after eating, hot flashes, nervous headaches, rheumatic pains in the back and hips. The doctor did me so little good that I gave up his treatment, and really feared that my case was incurable."

"One day I had a bad spell, and my husband came in when I was weakest, with a little book in his hand which he had picked up in our yard. It told of remarkable cures effected by a remedy for the blood and the nerves, Dr. Williams' Pink Pills, and somehow awoke in me a desire to try them. My husband went out and bought a box for me, and that was the beginning of my return to health. My appetite grew keen, my food no longer distressed me, my nerves were quieted to a degree that I had not experienced for years and my strength returned. The fainting spells left me entirely after I had used the third box of the pills, and my friends say that I am looking better than I have done for the past fifteen years."

Dr. Williams' Pink Pills are recommended for diseases that come from impoverished blood such as anemia, rheumatism, debility and disorders of the nerves such as neuralgia, nervous prostration and partial paralysis. They have cured the most stubborn indigestion. If you have any of these ailments or any complicated trouble as the result of which your system is all run down, Dr. Williams' Pink Pills are the very best remedy to take. They agree with the most delicate stomach, quiet all nervousness, stir up every organ to do its proper work and give strength that lasts. Sold by all druggists, or sent postpaid, on receipt of price, 50 cents per box, six boxes for \$2.50, by Dr. Williams' Medicine Co., Schenectady, N. Y.

## TORTURED DAY AND NIGHT.

Rheumatism Crazes the Mind.

An Internal Blood Treatment Called Uric-O is Widely Recommended to Cure It.

Every sufferer from Rheumatism who wants to be rid of the sleepless nights, the nerve-racking, muscle-twisting hours of pain, should get once a bottle of Uric-O, the marvelous specific for the cure of Rheumatism. It matters little how long one has suffered from the trouble nor how intense the suffering. Uric-O will cure it. It cures by its direct action upon the blood, muscles and kidneys. It neutralizes the uric acid which poisons and drives it from the system. Druggists and Physicians everywhere are recommending Uric-O, because they know that at last there has been a remedy prepared which actually cures the trouble and cures it if it stays cured. It has stood all kinds of tests and never been found wanting. Uric-O is a cure for Rheumatism and for Rheumatism only. The Red Cross Pharmacy are agents for Uric-O in Barre and they would be glad to meet all sufferers from the disease and explain the action of Uric-O in all forms of Rheumatism. The Smith Drug Co., of Syracuse, N. Y. are the makers of Uric-O, and will be glad to send any Rheumatism sample of this marvelous specific on request. They sometimes send a full sized bottle to people sending for samples.

A Year of Blood.

The year 1905 will long be remembered in the home of F. N. Tackett of Alliance, Ky., as a year of blood, which flowed so copiously from Mr. Tackett's lungs that death seemed very near. He writes: "Severe bleeding from the lungs and a frightful cough had brought me at death's door, when I began taking Dr. King's New Discovery for Consumption, with the astonishing result that after taking four bottles I was completely restored and as time has proven permanently cured." Guaranteed for coughs, lunges, coughs and colds, at the Red Cross pharmacy. Price 50c and \$1.00. Trial bottle free.

The Food For Poultry in Winter. Much time and money have been spent in what seems an almost vain endeavor to make hens produce eggs in cold weather. It requires but little experience with poultry to learn the fact that, under ordinary circumstances, hens cannot produce as many eggs in winter as in summer. Summer is the natural time for the laying of eggs, and in order to increase winter production there must be reproduced for the fowls as nearly as possible conditions that exist in summer. Walter E. Crawford of North Vassalboro, Me., has apparently tried to do this, so far as feeding his fowls is concerned. Here is a letter from him: "Page's Perfect Poultry Food" is better than anything I claimed it was, and I would not try to keep hens another winter without it."

Any one sending his address on a postal card to C. S. Page, Hyde Park, Vt., and mentioning this paper, will receive by mail, free, postpaid, a sample package of "Page's Perfect Poultry Food."
